FACTS ABOUT ME

When I'm not doing design work, I enjoy learning Blender and practicing my surfing skills. I'm also passionate about plants and have a great love for board games.

EXPERIENCE

02.2024 - now | part-time | Stuttgart GER

UX Design Working Student | UP Designstudio

Crafted medical web solutions that prioritized accessibility for the elderly in close collaboration with devs, conceptualized app designs for health products and delivered impactful presentations to executives.

03.2023 - 09.2023 | full-time | Munich GER

UX/UI Design Intern | FLUID Design GmbH

Supported UX/UI delivery for digital and physical products including medical and home appliances, worked within international multidisciplinary teams, supported usability tests and workshops, and prepared designs and assets for handover to devs.

07.2021 - 03.2023 | part-time | Stuttgart GER

Graphic Designer | Freelance

Designed brochures, banners and print materials for small businesses.

08.2019 - 09.2020 | full-time | Wiesbaden GER

Graphic Designer | R+V Versicherung Support Office

Designed the UX/UI for the department's new online presence, created branded posters, infographics and presentations, organized and participated in UX research and assisted with administrative tasks.

VOLUNTEER WORK

08.2022 | Melbourne AUS

Volunteer | UX Australia

Volunteered at the UXA conference, where I aided with the organisation, registration and vaccination checks of attendees.

10.2021 - now | Stuttgart GER

Environmental Initiative Member | Stuttgart Media University

Conceptualised and designed social media posts and flyers, and organized cleanup projects in the local community.
